Why Choose Our Practice Sets?

- **Authentic Exam Experience:** Our practice sets mirror the actual exam pattern and difficulty level, ensuring you become familiar with the exam format and question types.
- **Comprehensive Coverage:** We cover all essential topics from both the Technical and Non-Technical syllabus, leaving no stone unturned in your preparation.
- **Detailed Solutions:** Each practice set comes with detailed solutions, providing clear explanations and insights into the correct answers.
- **Track Your Progress:** Monitor your performance with our built-in progress tracker, identifying areas for improvement and gauging your readiness for the exam.
- **Time Management Mastery:** Practice managing your time effectively as you solve each set within the stipulated time frame, mirroring the actual exam conditions.

Unveiling the Exam Blueprint

The Indian Air Force Airmen Group Technical & Non-Technical Trades Exam comprises two papers:

1. **Paper 1:** Consists of questions from English, Mathematics, Physics, and General Awareness.
2. **Paper 2:** Tailored to your specific trade, testing your knowledge in the relevant technical or non-technical domain.

Our practice sets provide targeted preparation for both Paper 1 and Paper 2, ensuring you cover all aspects of the exam.

Inside Our Practice Sets

Each of our 25 practice sets is carefully crafted to provide a comprehensive training experience:

- **Multiple Choice Questions:** Engage with questions that mimic the actual exam format, testing your understanding of key concepts.
- **Numerical Problems:** Sharpen your analytical and problem-solving skills with numerical questions covering various mathematical topics.
- **Reasoning Ability:** Enhance your logical reasoning and critical thinking abilities through dedicated reasoning sections.
- **General Knowledge:** Expand your knowledge base with questions on current events, history, geography, and more.

Excel in Technical Trades

If you're aiming for a Technical trade, our practice sets provide in-depth coverage of the following subjects:

- Engineering Drawing
- Workshop Technology
- Physics
- Electronics
- Mathematics

Thrive in Non-Technical Trades

Aspiring for a Non-Technical trade? Our practice sets encompass the following areas:

- Office Procedures
- Storekeeping
- Catering
- Medical Assistant
- Accounts
