This book examines the role of civil society in migration governance. It explores how civil society organizations can contribute to more just and equitable globalizations. The book draws on a wide range of case studies from around the world to illustrate the ways in which civil society organizations are working to address the challenges of migration.

The book is divided into three parts. The first part provides an overview of the migration governance landscape. It discusses the key actors involved in

migration governance and the different approaches that governments have taken to managing migration. The second part of the book examines the role of civil society organizations in migration governance. It explores the different ways in which civil society organizations can contribute to migration governance, including through advocacy, service provision, and research. The third part of the book discusses the future of migration governance. It considers the challenges and opportunities facing migration governance and the role that civil society organizations can play in shaping the future of migration.

This book is a timely and important contribution to the field of migration studies. It provides a comprehensive overview of the role of civil society in migration governance and offers a valuable resource for scholars, policymakers, and practitioners working in this field.
