

# Rosenfeld In Retrospect: Essays On His Clinical Influence

Herbert A. Rosenfeld (1910-1986) was a pioneering psychoanalyst who made significant contributions to the field of psychoanalysis. He was a member of the New York Psychoanalytic Society and the International Psychoanalytic Association, and he served as the president of both organizations. Rosenfeld was also a prolific writer, and his work has been translated into more than 20 languages.

Rosenfeld's work has had a profound influence on the development of psychoanalysis. His ideas have been incorporated into the work of many other analysts, and they continue to be taught in psychoanalytic institutes around the world. Rosenfeld's most important contributions include his work on the following topics:
