

Subtracting Christianity: Essays On American Culture And Society

A Profound Exploration of American Culture and Society

In a world increasingly shaped by secularism and the decline of traditional religious beliefs, it is more important than ever to understand the profound impact that Christianity has had on American culture and society.

Subtracting Christianity: Essays On American Culture And Society is a groundbreaking work that examines the ways in which the decline of Christianity has shaped our understanding of the self, the world, and our place in it.

Featuring contributions from leading scholars in the fields of history, literature, sociology, and religious studies, this volume explores a wide range of topics, including:

- The decline of religious belief and practice in America
- The rise of secular humanism and its impact on American values
- The changing role of religion in American politics and public life
- The impact of secularization on American literature, art, and music
- The future of religion in America

Subtracting Christianity is an essential read for anyone who wants to understand the complex and evolving relationship between religion and American culture. This volume provides a timely and thought-provoking examination of the ways in which the decline of Christianity is reshaping our world.

Praise for *Subtracting Christianity*

"A brilliant and provocative exploration of the decline of Christianity in America. This volume is essential reading for anyone who wants to understand the changing religious landscape of our country." - **Philip Jenkins, author of *The Next Christendom***

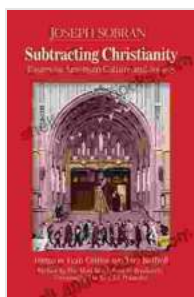

"A major contribution to the study of American religion. This volume offers a rich and nuanced understanding of the ways in which secularization is transforming our culture and society." - **Robert Wuthnow, author of *After Heaven***

"A timely and important book. *Subtracting Christianity* provides a much-needed examination of the decline of Christianity and its impact on American life." - **Randall Balmer, author of *The Making of Evangelicalism***
