Master the Blues Vocabulary

This book delves into the essential elements of blues guitar, providing a solid foundation for aspiring and seasoned players alike. From the iconic 12-bar blues progression to dynamic pentatonic scales, you'll master the building blocks of blues.

Develop Your Improvisational Skills

Improvisation is the heart and soul of blues guitar. "Backup Trax" provides invaluable lessons on developing your improvisational skills. Learn how to create expressive solos, navigate different blues forms, and confidently express your musicality.

Play with Authentic Backing Tracks

Experience the thrill of playing with a live band right from your own practice space! The book includes a collection of high-quality backing tracks that will accompany you on your blues journey. These tracks simulate the dynamic interaction of bass, drums, and rhythm guitar, providing an immersive learning environment.

Learn from the Masters

"Backup Trax" is meticulously crafted by renowned blues educator Scott Healy. With over 25 years of experience, Healy guides you through each concept with clear explanations, detailed examples, and engaging exercises.
