Harry Clifton, a young British soldier, finds himself caught in the crossfire of a deadly battle in North Africa. Desperate to survive, he stumbles upon a hidden cache of gold and a priceless painting.

Saul Kuperman, a Polish Jew, escapes from a Nazi concentration camp and vows to track down the men who murdered his family. His journey leads him to England, where he crosses paths with Harry.

Alexander Karpenko, a Russian spy, is sent on a mission to retrieve the painting, which is believed to hold a key to defeating the Nazis. However, his plans are thwarted by Harry and Saul.

As the war rages on, the three men's lives become inextricably intertwined, and they must band together to protect the painting and themselves from those who seek to destroy it.

Sons of Fortune is a gripping tale of adventure, intrigue, and suspense that will keep you on the edge of your seat from beginning to end.
