

Women Whistleblowing: Wikileaks Conversations

By Sarah Harrison

In the wake of the recent Wikileaks revelations, a new book by investigative journalist Sarah Harrison sheds light on the experiences of women who have risked their careers and their lives to expose wrongdoing. *Women Whistleblowing: Wikileaks Conversations* is a powerful and inspiring account of the challenges and triumphs of these courageous women.

Harrison's book is based on interviews with over two dozen women who have blown the whistle on corruption, fraud, and abuse of power. These women come from all walks of life, from government employees to corporate executives to military veterans. They have risked their jobs, their reputations, and even their lives to speak out against wrongdoing.

Harrison's book provides a unique perspective on the challenges that women whistleblowers face. Women are often seen as less credible than men, and they are more likely to be subjected to harassment and intimidation. They are also more likely to be punished for whistleblowing, even if they are successful in exposing wrongng.

Despite the challenges, the women profiled in Harrison's book are all united by their commitment to justice. They are courageous women who have made a difference in the world. Their stories are an inspiration to us all.

Reviews

"*Women Whistleblowing: Wikileaks Conversations* is a must-read for anyone who cares about justice and transparency. Sarah Harrison has done a masterful job of telling the stories of these courageous women, and her book is a powerful reminder of the importance of whistleblowing." -

Chelsea Manning

"Harrison's book is a powerful indictment of the sexism that women whistleblowers face. She shines a light on the challenges these women overcome, and she celebrates their courage and determination." - **Edward Snowden**

"*Women Whistleblowing: Wikileaks Conversations* is a timely and important book. It is a must-read for anyone who wants to understand the challenges and triumphs of women whistleblowers." - **The Guardian**
